Ogden high will officially open the 1919 grid season at Lorin Farr park tomorrow afternoon when they clash with the fast Granite high school eleven. The contest is scheduled to start promptly at 3:30 o'clock and it is expected that a large crowd of rooters will be on hand to welcome the players and the game for the coming year.

Coach Clarence Douglas has been working his Tigers with pepper and ginger galore of late and expects to see his men emerge from the battle victors. With Captain Lee Richards leading the attack of the Tigers and with Brown, Veasy, Irwin Stone and others putting forth their best efforts the Tigers should be winners.

Coach Harry Halton of Granite will invade the city with a squad of twenty men and is confident of victory. Captain Green, Andrews, Beulmer, Bring-

hurst, Stevenson and Howe are the veterans on the Granite machine and Coach Halton is confident that his men will spring a surprise.

Students of the Ogden high school will hold a rally in the auditorium of the school this evening at which time yells and songs will be practiced. The students are back of their team as of old this year and expect to see the Tigers land the state title.

This afternoon the West High Panthers and the East High Leopards will clash at Salt Lake. The outcome of this game is awaited with considerable eagerness as the winner will not doubt be the aggregation that the locals will have to defeat in order to take state honors.

This season Coach Douglas has some promising material and with a few seasoned veterans and a number of pen-

greens in harness he expects to develop a winner. Captain Lee Richards is expected to be one of the classiest backs in the state this year and he will not doubt be a tower of strength to his aggregation.

Every player in the high school league this year as well as in the college class will be numbered. The numbers of the players of the Tiger eleven were given out yesterday as follows: 1, Captain Lee Richards; 2, Irwin; 3, Johnson; 4, Brown; 5, Hirt; 6, Thomas; 7, Skeen; 8, Stone; 9, Jones; 10, Veasy; 11, Woods; 12, Chez; 13, Doxey; 14, Allen; 15, Griffen; 16, Williams; 17, Hinchcliff; 18, Bromberg; 19, Wright; 20, Cannon; 21, Bond; 22, McNulty; 23, Quinn.

The Granite players will be numbered as follows: 1, Captain Green; 2, Hamilton; 3, Cornwall; 4, Cutler; 5,

6, Smith; 7, Young; 8, Andrews; 9, Duehner; 10, Schropel; 11, Bringhurst; 12, Guini; 13, Gehring; 14, Glen Smith; 15, Hoggan; 16, Snyder; 17, Howe; 18, Jensen.

Albert Brazier, one of the best known grid officials in the west will referee the contest, while Kanzer will umpire. The teams will start the game with the following probable lineup:

Ogden. Granite.
(1) Johnston. Hamilton (2)
(3) Jones. Young (6)
(4) Woods. Guini (12)
(5) Hirt. Green (1)
(6) Bromberg. Schropel (9)
(7) Stone. Spahr (10)
(8) Brown. Stevenson (14)
(9) Veasy. Cornwall (3)
(10) Richards. Andrews (7)
(11) Irwin. O. Smith (5)
(12) Skeen. Cutler (4)

Lefty Williams
Due to Halt Reds
In Their Madness

CINCINNATI, Oct. 2.—Claude "Lefty" Williams, rated as one of the best left handers in the American league this season, probably will be Manager Gleason's pitching selection to stop the batting drive of the Reds in the second game of the world's series today.

While Pat Moran, leader of the Reds, did not care to make any official announcement concerning his mound choice, it was generally accepted that either "Slim" Salter or "Hod" Eller would oppose the White Sox today.

"Flying Start" Moran. "We got a flying start," said Manager Moran last night, "beating Cicotte, Gleason's best bet, and it makes no difference to my men what pitcher Gleason starts tomorrow. They said before the series that the Reds couldn't hit. Fourteen hits tells the story. The same batting drive will carry them through to victory."

"The Reds entered the series a 'cocky' lot of players and this victory has given them a lot more confidence. Ruether deserved a shutout and the Chicago players will find it just as hard to hit our other pitchers. Ruether deserves great credit for the victory. He was cool at all times. His batting was a surprise to me."

"We will even up the series tomorrow," said Manager Gleason of the White Sox. "When Cicotte hit Rath in the first inning he was unnerved and was not himself thereafter. I could have taken him out then, but I trusted that luck would enable Eddie to regain his control. I intend to start Williams tomorrow and have every confidence that there will be a different story to tell."

"Ruether had a world of stuff yesterday and pitched a really remarkable game. He should have all the credit for the victory. His batting stamps him as a second Babe Ruth."

"Yesterday's defeat has not dis-

heartened my players. I am sure the defeat will act as an incentive to win today. There are nine games to be played and one defeat doesn't mean that the series is lost."

Jury Is Being
Selected in the
Harris Murder Case

NEPHI, Oct. 1.—The work of empanelling a jury in the Harris murder case is proceeding slowly. Examination of talesmen brings out the fact that the published details of the killing have been widely read and this makes the selection of unprejudiced men all the more difficult.

Of the twelve men called into the jury box yesterday three were excused by the court today, two because they had a fixed opinion as to the merits of the case and one because he was opposed to capital punishment. When these were excused three additional talesmen were called in their places.

Up to the adjournment hour this afternoon three jurors had been passed for cause by both the prosecution and the defense. They were Joseph F. Wright and J. E. Cole, farmers, and W. W. Jenkins, a barber, all of Nephi.

The outlook at this time is that the remainder of the week will be consumed in the selection of a jury.

At this conference Minister Maginnis expects to be informed of the state department policy towards South America, with special reference to the expanding trade possibilities with Latin America. Before leaving, Mr. and Mrs. Maginnis were visited by many of their friends, a number of whom saw them to the train. They are stopping over in Ogden until tomorrow afternoon, visiting Mr. Maginnis' mother there.

MINERS FAIL
TO PROGRESS
AT CONVENTION

BUFFALO, N. Y., Oct. 2.—The appointment of a sub-committee to take up the issues with which the larger body has failed to make progress appeared to be the most likely procedure at today's session of the joint wage conference of operators and miners from the central bituminous coal fields.

The conference reconvened this morning with no basis of negotiation before it and with the miners taking the attitude that their operators had summarily swept aside all their demands, leaving no counter-proposal on which to proceed. The operators' side said that the proceedings had merely "left both sides squared and ready to start with an even break."

The miners' delegates declared, however, that the next move must come from the operators and if they had nothing to offer the conference would be at a deadlock, leaving a strike of 400,000 miners November 1 as the only alternative.

Cicotte Gives His
Views of Defeat in
First Game of Series

CINCINNATI, O., Oct. 2.—Eddie Cicotte, the master pitcher of the American league, who was driven out of the opening game of the world series yesterday under a broadside of hits, today expressed confidence in his ability to come back at the Reds when ever called upon. Cicotte with nearly thirty victories to his credit this season, is carrying the hopes of the Chicago fans on his shoulders and they have every confidence that he will pitch two and possibly three games.

The master of the "shine" and "knuckle" ball declared today that he was completely unnerved when he hit Rath, the first man up in the game yesterday and lost all control of the ball in the fourth inning.

"It is hard to explain," Cicotte said, "but I was in no condition to pitch the game that I had expected. I felt perfectly confident before the game started and appeared to have 'everything' when I was warming up but when I hit Rath it seemed to have a strange effect on me. I felt so badly about it that I trotted with him along the base line to see if the ball had hurt him. When Rath assured me that he was all right I went back to the pitcher's mound, but I didn't seem to be right."

Supporters of the White Sox say that Manager Gleason will send Cicotte to oppose the Reds in the game scheduled in Chicago Friday or Saturday.

Young-Johns Tilt
Results in Draw

Jimmie Johns and Al Young, both of Ogden, fought ten rounds to a draw at the Armory last night before a large crowd of boxing fans. Referee Harry Knowlden raised the hands of the two stars at the close of the argument and while his decision was hoisted by some of the fans the majority approved of his verdict.

Some of the loyal fans thought Young had the edge while others favored Johns. It was a nip and tuck affair with both boys showing class at all times. Both boys exchanged some flashy punches and were mixing from the tap of the gong in the first round until the bell sounded in the tenth ending the contest.

In the sixth round Young started an exchange of fists to John's jaw and had the claret flowing freely. Johns came back strong in the seventh and evened matters. In the final round both boys attempted to win out and exchanges of fists, hooks and jabs kept the fans on edge throughout.

On account of the illness of Tom Painter, Harry Knowlden substituted as referee. The curtain raiser between Kid Harris of Ogden and Kid Burns of New York was won by the local lad on a foul.

"Red" Newey and "Mysterious" Jimmie Brown fought six rounds with the former winning the verdict.

FORMER PRESIDENT DIES.

RIO DE JANEIRO, Oct. 2.—Dr. Victorino de la Plaza, former president of Argentina, died at midnight last night. Dr. de la Plaza assumed the presidency of the republic on the death of President Pena in 1914, succeeded to the office from the vice presidency and remaining in the presidency until the expiration of his term in 1916.

Yea Bo! The 1919 gridiron season will start off with a bang here tomorrow when the Ogden Tigers clash with the Granite High school warriors in the first game of the season on the local field in the interscholastic class. Coach Clarence Douglas has been putting his men through gingerly workouts of late and expects a victory from his men.

The Granite stars will invade the city with twenty-two players and a gang of rooters, according to advance dope received from Salt Lake, and what is more—Coach Harry Halton is coming with the intention of winning. He has a number of old heads in harness and the game should be a thriller.

Two of the best officials in the state will handle the officiating. Albert Blazer, one of the best bets in Utah, will referee, while Kanzer will hold down the umpire position.

The game tomorrow will start promptly at 3:30 o'clock. It is expected that one of the largest crowds in the history of the game will be present. Boom Ah, Let's Go!!!

This afternoon at Salt Lake the West High Panthers and the fast East High Leopards are clashing on the grid in the first important game of the year in the Salt Lake division. The Panthers are slight favorites over their rivals, but unless they play a first rate brand of ball the Leopards will be victors. Last week the Panthers suffered a 7 to 0 beating at the hands of Payson.

The team that wins the game at Salt Lake today will, in all probability, be the aggregation that the local Tigers will have to defeat in order to win the state title. The Leopards and Panthers both have first rate aggregations, but in the opinion of the writer, the locals will stack up with any team in the state this season.

Jordan High school prospects are unknown, as are also the prospects for winners at Davis and L. D. S. The Davis county stars, however, have been working hard of late and expect to have a first class season. Coach Warner is confident of victory.

Saturday afternoon Ogden fans will have a chance to see the Weber grid stars in action in the first game in the history of the school. They will clash with the soldiers of the city at Lorin Farr park in what gives promise of being a first rate game.

Coach Watson has been sending his men through some fast workouts of late and Saturday the fans of the city will be on deck to see just what kind of an aggregation the Weber boys will have in the field.

The soldiers will have a first class eleven. A number of former high school and college stars are in Ogden and will represent the soldiers, sailors and marines in the coming contest. Billie Glasmann has direct charge of the players, while Ross Glasmann will manage the team.

Robert "Bob" Martin, well known distance runner, Rocky mountain champion and rated as one of the classiest men that ever took part in a track meet in the west, will go out after the state record in the five-mile run at the state fair grounds next

Wednesday. Martin will attempt to shatter the present record held by Ted Johnson. He is the favorite to win the special five-mile event against some of the best bets in the state. In 1915 the writer and Ted Johnson covered the five mile route in Salt Lake City in 27 minutes and 19 seconds, which, considering the altitude, is near world record time. The record of 24:59 was made at sea level and on a first class track. Martin is confident that he can cover the five miles in 27 minutes.

During the coming season the soldiers expect to bring several first class teams here on Saturdays. It is expected that the grand old game will come back stronger than ever this year and with the old timers showing their old time class, should be some year.

Creed Haymond will be one of the stars that will show his wares in the track and field games next week at Salt Lake. Haymond will run the 100 and 220-yard dashes and with the words "national collegiate champion of America" attached to his name, the veteran should win with ease.

Nathan Tolman and "Bunk" Brown will clash in two features at the track affair. Tolman holds the state college record in the mile, while Brown is the state interscholastic champ with a record of 4:37 in the mile. These two stars will also mix in the 880-yard run.

Gate Receipts for
First Series Game

CINCINNATI, O., Oct. 2.—The national commission announced that the total attendance at yesterday's game was 39,511. The total amount of revenue taken in, not including war tax, was \$98,778. The commission's share of this was given as \$98,778.80, leaving 10 cents to be divided at \$88,500.20. Of this, the players' share was given as \$53,340.12, and the share of the two clubs and the leagues at \$35,560.08.

J. Collins Out of
Game For Rest
Of World Series

CINCINNATI, O., Oct. 2.—J. Collins, White Sox right fielder, may be out of the game during the remainder of the series. He became ill after the opening game yesterday and doctors today reported he was suffering from an attack of the gripe. Larry Kopf, Cincinnati shortstop, also reported ill after yesterday's game, but was on deck for today's game evidently in first class shape.
